

CALLER CLASSIFIED ADVERTISING

It pays to advertise. That saying greets you on every side. It is one of the axioms of present day business. The little classified advertisement has a wonderful selling power. Each day people right here at home tell us of the remarkable results they obtained in the CALLER CLASSIFIED COLUMN. If you have something to sell, to trade, a room, home or garage to rent, if you've lost something, if you've found something, if its real estate or automobiles, thousands of people right here in your own section are told so when they see your ad in the CALLER every morning. Put a "CALLER" salesman to work for you. Rent that spare room now. An ad costs but a trifle when compared to the results actually accomplished. PUT THAT AD IN THE PAPER DAY.
